Our costs assume that:-

- this is a standard transaction and no unforeseen matters arise including, for example (but not limited to) a defect in the title which requires rectifying prior to completion or the preparation of additional documents ancillary to the main transaction;
- the transaction is concluded in a timely manner and no unforeseen complications arise;
- all parties to the transaction are co-operative and there is no unreasonable delay from third parties involving documentation; and
- no indemnity policies are required. Additional disbursements may apply if indemnity policies are required and the disbursement charge is per policy.

Sale of a Freehold Property

Our costs cover all of the work required to complete the sale of your home and are based on the total of two parts:-

Part 1 – Our Legal Fees

These are fees that you pay us for acting in your sale. They are calculated based on the value of the property. Please refer to the following table for what we would charge on your particular matter.

| Sale Price | Fees | VAT (20%) | Total |
|---------------------|---------------|-------------|---------------|
| Up to £300,000 | £650 - £1000 | £130 - £200 | £780 - £1200 |
| £300,001 - £500,000 | £1000 - £1275 | £200 - £255 | £1200 - £1530 |

| £750,001 and over | £1525 + | £305 + | £1830 + |

For sales above £750,001 up to £3 Million, our legal fees are based on a number of factors. This would again include the value of the property, the complexity of the legal title and any planning matters. We would use the hourly rate of the fee earner who would be dealing with the matter as a guide in providing you with an estimate.

Part 2 – Disbursements

Disbursements are costs related to your matter that are payable to third parties. We handle the payment of the disbursement on your behalf to ensure a smoother process.

The following disbursements would be applicable to the sale of a freehold property:-

- Other Land Registry documents - £7.00 per document (if required);
